## Alloway Wilderness Reserve Whiteshell Provincial Park

Is a wilderness camp designed for Scout youth introducing backcountry camping experience. At ScoutLook there is no plumbing or electricity, and water is transported in or filtered on site.

The camp program is designed to provide the campers with opportunities to learn and demonstrate the Outdoor Adventure Skills as described by the Canadian Path. Opportunities to learn and practice skills in the categories of Aquatic, Camping, Emergency, Paddling, Scoutcraft, and Trails skills are the focus of camp activities. OOS individuals will be expected to contribute to the learning experiences for the campers.

On the back side of the registration form OOS applicants are asked to identify what experience and skills they will be bringing to the camp.

The camper's experience is the priority of OOS attendees.

OOS is required to attend prior to camp dates and one day after. During these times camp is set up and preparations for activities are done. The extra after camp is to clean up and put equipment back into storage.

You are encouraged to visit the Scoutlook web page at: [scoutlook.scoutdooradventuresmb.ca](http://scoutlook.scoutdooradventuresmb.ca) for details and photos.

If OOS need to or chose to bring electronics for camp you will be responsible to bring your own power source, i.e. extra batteries, power banks, or solar charging system.

### Dates For Your Calender:

A **non-refundable** deposit of \$100.00 is required upon registration, and the **balance of registration is due June 30, 2024.**
