When packing please take into consideration how some clothing articles may meet tow requirements, i.e. windproof and waterproof. You are encouraged to plan your clothing in layers i.e. wicking material for close to your body.

Keep in mind that you want to keep the packs light, do not over pack. You will want to have a small day pack to carry personally things that you will want access during the day. If you have your own stuff bags please pack your belongings in those.

---
